

General Meeting: 2 May 2018, Congress and HESC

Below are motions at Congress and HE Sector Conference where we are suggesting some amendments, or where there are motions we think we should discuss in the General Meeting

Congress

Amendment:

EQ3 Disciplinary procedures and mental health London Metropolitan University

Suggested amendment, before point 1 a new point 1 and renumber subsequent points:

“1. UCU should further encourage its members, universities and colleges to be open about mental illness and health when and where ever possible so as to challenge taboos, myths and prejudice.”

Discussion:

EQ1 Progressing equality in our workplaces National executive committee

Higher Education Sector Conference

Amendments:

HE18 Fixed term contracts University of Glasgow

Suggested amendment: At end of motion add

“3. ensure grant applicants are required to provide information in proposals about the career support and development opportunities for staff to be employed on the project.”

HE23 REF 2020/21 and defence of contracts University of Brighton Falmer

Amendment:

Delete “particularly in post-92 institutions” in 1.

Delete para c. and replace by:

“c. to campaign to ensure all HE institutions have career paths for teaching-focused staff allowing time for scholarly activity and providing career progression in line with the national academic role profiles.”

Discussion:

HE14 Gender and equal pay Higher education committee

HE20 Evidence gathering: Investigating the effect of hubs and ‘service’ centralisation University of Leeds

HE35 Recruitment, retention and promotion of black staff in HE Black members standing committee
