

Motion on Palestine Solidarity from LJMU UCU to NW Regional Committee

This regional committee notes:

- The continuing Israeli bombardment of Gaza and attacks on the West Bank
- More than 25,000 Palestinians have been killed in the bombardment so far, and many more have been seriously injured
- The various mobilisations that continue to be organised regionally, nationally, and internationally, calling for a cease-fire

This regional committee resolves:

- To encourage members and branches to participate in protests against the war
- To support and publicise the call for protests in Universities and Colleges on 7th Feb
- To publicise meetings, protests or other related activities taking place regionally and nationally
- To send a delegation from our region to the national demonstration on 3rd February in London and pay reasonable travel expenses
- [current meeting to decide number of delegates]
- To support any member who is disciplined in relation to their stance on the conflict
